Print the above sheets. One sheet is for outdoor use and one is for indoor use.

Use the sheets to find the above items through the following ways (after reading the words):

- a. look through books
- b. find items in the house
- c. watch a movie or show
- d. cut pictures from a magazine and make a collage
- e. do a scavenger hunt throughout your neighborhood (either taking pictures with an old camera or marking each item as it is found)

No matter how many items you find, if you take a picture of the paper (or your collage or your best photo of the scavenger hunt) and tag @ExpressReaders on Instagram or Facebook, Bug will PERSONALLY send you a shout out with your name and a picture 😊 (You can also email us at contact@expressreaders.net)
